Terms & Conditions

- Magnum Opus is an inventor of this technology and has over 6 years of experience with over 2000 Active Trackers installed across India and over 10 districts of Madhya Pradesh including Gwalior & Indore.
- Magnum Opus first invented Silent Observer (SIOB), which was upgraded to Active Tracker, & now the latest version, is launched as Active Tracker+ to meet the 100% guidelines issued by the State.
- The Active Tracker device has storage capacity of 1 TB
- The Active Tracker device will be installed with the GPRS/SMS dongle with SIM card having one year rental charged in advance
- A data copy software license will be provided to the authorities
- A data decryption software will be installed on the designated machine only for the security reasons
- Above mentioned price is inclusive of all applicable taxes
- Above mentioned price is inclusive of first year onsite maintenance charges
- Annual maintenance charges from the second year will be Rs. 5,500/- which will include onsite maintenance as well as one year rental for SIM card.
- Training will be given to the authorities as well as doctors for the Active Tracker PLUS.
- A SMS will be sent automatically to the center owners for every on and off event of Active Tracker informing the date, time, free space on the hard disk etc.
- Online monitoring of Active Tracker device will be done through secured user name and password facility to the authority.
- Payments are to be made in favor of Magnum Opus IT Consulting Pvt. Ltd. in the form of DD/Cheque payable at Pune
